Dear Supply Chain Partner:

The U.S. Bureau of Customs and Border Protection (Customs) is sponsoring the **Customs-Trade Partnership against Terrorism (C-TPAT)** program. C-TPAT is a joint government business initiative to build cooperative relationships that strengthen the security of the supply chain. The direct benefit to participants is a shortened import cycle time and fewer Customs cargo examinations. Ever Concord Logistics (ECL) is a participant in C-TPAT.

C-TPAT requires participants to ask business partners, who are not eligible for C-TPAT certification, to demonstrate that they are meeting C-TPAT security criteria. This can be accomplished via written or electronic confirmation (e.g. contractual obligations via a letter from a senior business partner officer attesting to compliance; a written statement from the business partner demonstrating their compliance with C-TPAT criteria or an equivalent World Customs Organization (WCO) accredited security program administered by a foreign customs authority; or by providing a completed importer security questionnaire).

Please demonstrate your confirmation by one of the methods above. A Security Questionnaire is attached. Please send your confirmation using one of the methods above to my attention at your earliest convenience.

Also, please review documents in the link below for more information.

ECL appreciates your cooperation as we work to contribute to safe and secure international trade while managing our costs and cycle time. If you have any questions, please call me at 310-330-4585, or e-mail me at [Cindy.Mar@EverConcord.com](mailto:Cindy.Mar@EverConcord.com).

With Kind Regards,
